“ Jim told me he was in the battle of Midway in World War II. He was on the aircraft carrier Yorktown when it was sunk, and spent some time in the ocean before he was rescued. We remember his service, and remember all who have served, and thank those who still serve our country. I miss all those coffee hours I had with you and June and so many others. It was a privilege to be your pastor for a good number of years.

“ I remember Jim from the days that I worked at the Sugar River Bank. He would come in and always had a story to tell. He had a big personality and seemed to really enjoy life.
