“ *Kristin and Family:
I didn't get to know your mom very well but can see her spirit and love in you and your family. She seemed like a very loving person and definitely did an amazing job of raising her children well. You are truly an amazing person and time will help a bit to ease your pain. the memories you have will stay with you forever and one day you will remember them and smile instead of cry. Thank you for allowing me to be part of this amazing family. Hugs go out to all of you.*

“ Dave and Janice were both classmates and good friends of mine. They were such nice people and I'm sorry life was so hard on them. Hopefully they are finding their reward in heaven.

“ I remember Janice from high school days, playing the trombone beside her in band. She was an upper classmate with such a sweet spirit. I know she will be missed by you. I'm sure she loved you very much and her love has made your lives richer because of it. May you find comfort through the Lord and His love for you. “ I just checked Danny's web site and found Janice's notice. I am so sorry for your loss. I am also a member of Brodhead's class of '64. Janice was such a sweet gal who had a delightful laugh. When she last came to a class reunion, she was still smiling and in good spirits, eventhough she had lost David and was in a wheelchair. I will remember her fondly.
