“ Amy & Families,

I am so sorry to hear of your sister's passing. I just saw her a couple of weeks ago and she seemed happy to be up and around. I didn't realize at the time what a blessing that was to her. I am praying for you and your family for peace in the coming days ahead. I remember when she came to the church and shared her love of clothes with us at Mother/Daughter Banquet. May your happy memories help you to deal with her passing.
