I too worked with Jeff at United for many, many years. I remember the group motorcycle weekend trips we took years ago, and was an honor to work with him through the years. My grandparents lived across the street on 3rd street and we would talk at work about what was happening in Brodhead. I am deeply saddened by the loss of Jeff, and my sincere condolences to you and your family. May you somehow find peace during this extremely difficult time.

“ Jean, Tanner, Griffen and Brecken-- Finding words at a time like this is so difficult. Jeff will be missed by so many and our memories of him are numerous...from all the days when the girls were at your house being cared for, to the ball games and fishing stops here at the pond... he was a wonderful person and someone we are honored to have had in our lives and called a friend. We are all here for each of you - we will be cheering extra loud for the boys at the games too. And the pond is always open for a relaxing fishing spot when you need it boys.
