“ I am very honored to have met/worked with Jerry. He is a wonderful person with such a big heart. There wasn't a day that went by that I didn't have a smile on my face from him. I will miss the honks from the van that drives by my house...Jerry way of telling me "Hi." I will cherish the picture Jerry and I drew together in memory of him. You will be greatly missed but never forgotten! May you rest in peace and smile down upon all of the people who's lives you have touched.
