“ I remember Mrs. Simplot got so mad one day she started yelling at us in class and after everything she said, "Sit down, stop talking, stop interrupting class," she ended it all with a laugh. Even when she was mad she always had a giggle to share and I'm extremely grateful for that memory of her.

“ Jessica taught at our school early in her career and was here a short amount of time, but she is well remembered... especially her smile and big laughter. You could hear her from down the hall and it would make you smile as well. Our sympathy to her family & friends.

“ I only had the pleasure of meeting Mrs. Simplot one time thru virtual parent teacher conferences, however, I knew instantly she was a special teacher. My daughter absolutely adored her. The world has lost an amazing person and teacher. She will be missed dearly.
