“ *To the Pulcine family, our hearts and prayers go out to you all. Aunt Joenita was a wonderful woman. She was one of my main reasons for getting into the medical and EMS field, besides my mother. She was always there for us and we loved her dearly. I am just sorry that time and miles kept us apart. We will always have you in our hearts, Aunt Jo.*

*To Chris, Ronny, and Chuck, Keep her memories alive for all the grandchildren and greatgrandchildren. It will mean so much to them as they grow older.*

*My Dad died when I was a year and a half. I have no live memories ... BUT... my Mom told us stories about his life and I would look at his picture and feel I knew and loved him and that he loved me. I know this will mean so much to Joenita's little ones she left behind, just as all three of you have her in your hearts.*

*God bless all of you.*

*Love to all, Auntie Joyce (Pulcine) and Uncle Ted White*
