“ *Linda and family,  
I am saddened that a good person such as Johanna is no longer with us. She had patience with the residents at your group home even when a person was having a very bad day. I hope her children will have many happy memories of their mother. May God bless all of you with comfort during this difficult time.*

*Peace,

“ *Mrs. Kennedy and family, Was deeply saddened when Lacey sent the obit from Fond du Lac. I will always remember Johanna fondly with her happy smiling disposition. She was always a favorite since her first grade utterance when she thank me for teaching her such a fun game in Phy. Ed. Wow no child had ever, or since, said it quite like that. She will leave a void that can't be filled by anyone else. My sympathy, Mrs Sherwin*

“ I did attend the funeral of Johanna with my husband Stanley, but If I missed expressing my sincere sympathy to each family member, may I do so now. You all have our deepest sympathy in the loss of your loved one. Johanna could not be around you without a smile on her face. She had such a bubbly personality and we loved her. May God's loving arms be around you at this time and in the hard days ahead. Just knowing that she is with the Lord is such a blessing and please remember that when our tears start to fall and we miss her terribly that she is smiling, and walking on streets of gold with her precious Saviour, the Lord Jesus Christ. Brianna, you have been a wonderful support and comfort to us all as well. You have been there for your Dad, your brother and sister and helped them stay strong and be of comfort. At only the age of 10, you are so mature and you will take after your Mom, to always be there for others. I can already tell. Mom, I love you and I am so sorry for what you are going through. We will be there for you and help you through this. We always have to remember how wonderful she was and that we have been blessed to have Johanna in our lives and we are better people in our lives to have known her and to spend the time we did with her. We will forever remember her laughter! We know she is not suffering anymore and that she truly is in a better place and one day we will see her again. She will remain in our hearts forever! “ To the family of a very beautiful person, (in every sence of the word),  
My deepest condolences to all of you in this time of grief. Johanna was an absolute joy to be around. She made BTC warm and bubbly when we were there. She was such a go getter, juggling and accompishing so much all the time, and always wanting to do more, she was amazing. She was so selfless and caring of others, you couldn't help but love her. I will miss her and am saddened by her passing. I am sorry that I just heard the news today and was unable to attend services.  
Please accept my deepest sympathy. My thoughts and prayers are with you. God bless!
