My heart is heavy with sorrow with hearing the news of your passing. I am very grateful to know that you are no longer suffering with pain and forgetfulness. I will miss seeing you when I come to visit. I am glad to know that you are in a place where you can now remember us all and you can now play dirty clubs again! Love you grandpa.

“ Uncle Hunsie,

*So sorry to hear of your passing. I have several happy memories over the years. Two of them really stand out. I'll never forget when you and my brother, Pat, drove the motor home (with 20+ people on board) to Colorado for the July 1980 wedding on the top of the mountain. The second is when you & Susie road your bicycles out to Edmunds Road to visit Mom & me in July of 1995. I just thought that was such a cool thing for Dad and Daughter to do (right after my Dad passed away). Love you, Margie Ann*
