“ Very sad to hear of John's passing. Will miss his conversations, his stopping in at Fibs North, seeing him working in the fields, and of course his past ambition of throwing his hat into local politics. Rest in peace John.

“ John was a good customer for us. he continued to serviced by Speich Oil after my retirement. I saw him most often in recent times at Juda Grain. We had numerous stories about his travels to ocean dive locations. I always enjoyed seeing him. We here in the Brodhead area will miss his friendly smile. his passing was a shock to us all. Good Bless you and your families and find peace in knowing there are more here with similar feelings of loss

“ To the family of John Kerschner;

*I'm a neighbor living at Lake Summer set, although I don't personally know your family  
I would like to take this time to express my heartfelt sympathy.*

*A few years ago I lost my oldest child suddenly, had it not been for the comforting words  
from the Bible that was shared with me I don't think I would've made it. I will share those thoughts  
with you and your family and friends. Please read 2Corinthians 1:3-4 where we are reminded  
that God supplies us with comfort from the Bible. Another verse is found at John 5:28-29, the resurrection  
of the dead is a wonderful and real hope.  
May the God of tender mercies be with you at this sad time.*

*Sincerely; Your neighbor Mary Booker (815-248-9251*
