“ *To the family of John Walker,*

I was sorry to learn of John's passing. Please accept my deepest sympathy. May your faith and your fond memories of John support you at this time.

I worked at Janesville Products in Janesville and have many fond memories of John from meetings and discussions with him. Besides his great intellect, John had a gift of common sense which helped resolve a lot of problems.

When my wife and I first moved to Janesville, John and Marty were always gracious to us by inviting us to their home in Brodhead. They made our move a lot easier by welcoming us to Wisconsin.
