“ Our thoughts and prayers are with all of Joey's family at this time. We've heard nice things about Joey and we know that his favorite role in life was being daddy to Piper which is nice to hear in this day and age. May your memories of Joey help you get through the rough times ahead.

“ Ruth -
So shocked and grieved to hear of the loss of your son. Although I didn't have the pleasure of meeting him, it sounds like he really touched many people.
And, what greater tribute than to be recognized as a loving father in this day and age. Prayers are with you and all your family.

“ To Joe, his family and Piper, I had the pleasure of knowing Joe for a short time. we laughed and talked and were pretty good friends. I know he was a great father and enjoyed seeing his pictures of activities that he and piper would do. I am going to miss him he was a really great friend. I am so saddened by this loss and I know how much this hurts since my brother just passed away a year ago and Joe and my brother were the same age. My condolence to your family, because Joe was such a wonderful guy.

“ To Joe's family. I was saddened to wake up this morning and see that Joe had passed. I did not know him personally. He was a Facebook friend of mine and I always thought he had a good heart and loved his daughter very much. His sense of humor tickled me and he liked mine too. I will miss him and know he is watching down on all of you, healthy and with all the love one man can have for his family. My prayers are with you all.

“ I am sorry for your loss, i know it is never easy losing a child. I give the family my deepest empathy and sympathies and especially to my daughter Piper; it is never easy losing a parent. In time of tragedy is when all family needs to come together and be there for one another. Joesph is in a better place free of pain and anguish, now he can be Piper's Guardian Angel!

“ I only knew Joe for a short time over Internet and playing games but I will say he was a wonderful young man. All he talked about was being a father and his daughter. He loved her so. For being so young he had overcome many hardships and was a pleasure to conversate with. I pray his daughter is able to adjust to this. May God be with her and all of you as you get through all of this. I will keep her and the family in prayer.
