“ Our sincerest sympathy. We didn't know Jo had been ill. We got back from a trip to Door County and saw the obituary in the paper. We enjoyed our trips together with you and Jo through the Bank of Brodhead. We also remember the nice time you hosted a get together for some of the travelers to New Orleans. Take care and again our sympathy to you and your family.

“ There's no such thing as goodbyes and farewells when it comes to teachers... because their teachings forever stay in their student's minds and hearts. Rest in peace.
