“ *Joel, Was sure sorry to hear of your Mom's passing. I've heard and read that your Mom was a wonderful, caring, and class act teacher. And we all know she was. I'm sure that your Dad and her are out golfing in heaven. May your many happy memories of your Mom give you comfort.*

“ Dear Joel,
Your lovely mother's memory will always have a special place in so many hearts, including mine. She was my 2nd Grade teacher the year the 'new' elementary school opened. I idolized everything about her ... her kind and gentle demeanor, the sophistication of her speech patterns, and of course, her well-honed sense of style. She was beautiful inside and out. Brodhead was lucky to have called her our own. I hope your loving memories bring you comfort and peace at this difficult time.
Most sincerely,
Randi Fairman

“ Mrs. Trutman was my 2nd grade teacher. She always wore her long hair in a bun. I was so sad the one day she wore it down I was home sick. I live about a block from you and walk my dogs past your house often. Many times I would see you and your Mom walking. I am very sorry for your loss. She was a wonderful woman and a beautiful person.
