“ Chris, I am so sorry for your loss. We just never know day to day do we? I am praying for you and your family. May your faith help you through the coming days. I believe she isn't that far and is watching over you and your families. May your happy memories be that special "hug" from your Mom. Thinking of you. Brenda Fowler

“ I am really sorry to hear of your mom's passing. I remember her wonderful laugh and beautiful smile. I'm sure her joy is complete now that she is in heaven. Way too soon - I know that pain well. Mark's wonderful mother went home this year in March. With you in spirit. Love & God Bless, Julianne Young (Mark, Hannah, Caleb & Joseph)

“ Dear Chris, Mike, and Jason,

*I am sorry about your mother. I wanted to attend her visitation, but my wife fell sick and needed my attention. I am sorry I was unable to make it.*

*I knew your dad better. I worked with him at Bendix, and he was partially responsible for leading me to the Lord. Back in 1980, your dad, mother, Chris and I all piled into their old van and drove to a Rockford Bible study. It dramatically changed my life. I wrote about it in my life story (which I call Jason's Treasure after Jason Niccolai) and was wondering if you would be interested in reading it. Here are the Internet links to the chapters in my story where your dad and mom have a part.*

“ I am so sad to hear about your mother. She was a very nice person, I remember going to her place a few times with my dad and mom ( Bob & June Kiddell) when I was young. she was always so nice to me. I will keep you and your family in my prayers as always.
