“ To you all... I sit here crying and have thought so much about you all since I heard. I will miss her so much. I am so thankful I spent a half hour last weekend sitting on her back porch. She always was so up beat and it was so great hearing about the Grandchildren. She was so proud of you all. I know she will leave a huge hole in your hearts and life, I know she will mine. She was a great LADY and helpful thoughtful neighbor. I am thinking of you all at this time, your family has had a lot to deal with the past few months.

I was so heart broke when I heard about “Junebug” passing!! That woman had such a contagious laugh and she absolutely loved her grandkids!! But, she never forgot to ask about my family and how everyone was doing - every time I saw her. I looked forward to her coming in every month to pay her electric/water bill and chat with us. Your family was truly blessed with this wonderful woman – you have our deepest sympathy.
