“ *I am so sorry to all Kari's family and friends who have lost her. I grew up idolizing Kari and Angie and they were kinda like the big sisters I never had. Kari was a wonderful person who loved her family deeply. Everyone who met her was sure to be touched by this special lady. I would like to think we all have a special angel looking over us now.*

“ *Kari and Kevin's family,*

I am very saddened to hear about Kari. I can't imagine the pain that you are going through right now. She was a great friend through out our school years. I have many fun memories of the times we had together. I use to love hanging out at her house and apartment. Please know that you are in my thoughts and prayers.

“ Kari's family,

My thoughts and prayers are with you. I worked with Kari at Edgerton Hospital 10 years ago, and was happy to see that she was working for MJ Care when I went back to work 4 years ago. I will miss that warm smile, and sharing stories about our little boys. God bless.

“ Kari's Family,

I worked with Kari at the Vision Clinic, my heart goes out to all. I spoke with Kari a few years ago and was so happy to hear that she was married and had a little guy. She was so proud of Presley and was enjoying raising him. She loved Jenna very much also, you could always tell in her words. Kevin, she was also very proud of your relationship. I am so glad she found true happiness, but horribly saddened by this event. Please hold on to the good memories, that is what will keep you going. God bless.

“ Kevin, Presley, Phil, Luann, Angie, Jenah, Shawn and Jaiden
What can I say.....I feel so sad for all of you. My thoughts and prayers are with all of you during this very sudden and sad loss. I am so sorry that I cannot be there on Mon with all of you. I have so many fond memories of our college days and friendship outside of school. Thank goodness I have so many fond memories. Jenah-you have grown to be such a beautiful young lady, mother and wife. I am so proud of you. I shared your pain with Jaiden when he was born and you certainly didn't deserve this! Why why why does God take the good people. I will probably never understand. Love and prayer are being sent your way. Jody Severson (Luebke)

No words can express the sadness that is felt for all of you - and just can't seem to get it off my mind. Great memories of friendships with Kari and Kamille growing up. Kevin, Luann, Phil, Angie, Presley, Jenah AND Dena -- your all in my continued thoughts and prayers!! In friendship..

“ I'm still having a hard time accepting this tragic news. Our memories go way back, but many are still very clear in my mind. The Wolden and Zuehlke homes were like my extended family for many years.

I had planned on coming to the visitation but the weather certainly didn't cooperate. Please know that Jeff and I are thinking of all of you; Kevin, Presley, Jenah, Angie, Kamille, Phil, Luann, Sandy, Ron, Dena, etc.

“ Kari and Kevin's family,

I am so sorry for your loss. I had not seen Kari in years but I have fond memories of playing with her as a little girl and going to her house for sleepovers. She was a wonderful and fun loving person to be around. May your memories of what a warm and caring person she was comfort you. You are in our thoughts and prayers.

“ I think back to the time when Kari was just a beautiful little baby, and I had just met her, (in California). It seems impossible that she could be taken from you so soon. Naomi called me on Saturday and told me the news. I am so saddened for your loss. My prayers will be with you.
