“ So very saddened by Kay's passing into the arms of her Savior. She will be missed by this family. We are so blessed to have had her in our lives even if we didn't have the opportunity to see her regularly.

Her wonderful family will be the focus of our prayers. Will try to come to the memorial service if possible. Love to all, Elli and Jennifer Olmstead

“ I will not be unique here to say what a nice, fun, happy lady Kay was. What else do you say? She always was so positive and happy, always a smile and a hug for you. She touched my entire life. Growing up she was by the pool or at the cottage, as I got older we bowled together. I loved the way she affectionatly called me Loulie. I loved Kay. We have truly lost a Golden Girl! My deepest Sympathy to her entire family!
