“ My heart goes out to you all. Kathy was a great person. Wonderful with children and to all she knew. I was lucky enough to have her watch my daughter for a period of time and she really enjoyed spending time at Kathy's house. Her family meant the world to her and they will miss her terribly. Take care of yourselves! Elaine Bescup

“ I am so sad to hear about your loss. I didn't know your Mom, but knew her through knowing Dawn. She was a very caring, loving Mom and I know you will miss her terribly. I pray in the coming days you all are able to share the joyful times you had with her, and that will bring you comfort and strength. I'm sure she is looking down from heaven and she will send you a "sign" or two to let you know she is still here.
