“ *Mary, Kurt, Terri and Carmen,*

*Nancy called us with news of Ken's passing. You certainly have my and Diane's condolences.*

*I still manage a smile when I think of the many many times I waltz through your front door, said "Hello" to Ken, solidly entrenched in his Lazyboy seemingly sound asleep, only to get a muffled "Huh" as his reply. I guess working nights will do that to a person.*

*Memories of Decatur Lake and our two orange colored boats also bring a smile. Good times.*

*Take care and God bless.*

“ Many years have passed since the days of the Severson/Strommen reunions where we gathered for good food, good conversation and child play. There was always a baseball game going and games for the youngsters. It was such fun. How fortunate we were to have participated in those fun years. Pictures now bring back many memories of those days. We leave you with this quote.

*"To laugh often and much, to win the respect of family & friends, to leave the world a bit better, to know even one life has breathed easier because you have lived, this is to have succeeded." Kenneth, you have succeeded and we now grieve.*

“ Mary and family,

For some reason I checked the obituaries in Brodhead and saw that Ken had passed. My thoughts and prayers go out to you. I have fond memories of our "bowling" weekends in Brodhead, and at church. Jeff and I always enjoyed your friendship. Take care. God's Peace
