“ Laurie was a energetic person with a stand out of the crowd personality. Always livened up a room with her laughter. I am a firm believer in God and that the people of our past have changed our lives in one way or another. We would not be who we are without knowing each and everyone of them. Especially Laurie. I never got to thank her for always being there for me. She never gave up, always had a smile and made everyone else in the room laugh. She wasn't perfect but, she was who she wanted to be. A wonderful human being. Thanks so much for the wonderful memories. May she be at peace with God. And God bless her family. You will be missed. ❤️❤️❤️

“ *I was so blessed to be able to care for Laurie the last year and a half. She was the best listener and we had so many laughs and cry's together. Laurie I miss you dearly and love you more. I am blessed that you allowed me to pray with you when you were scared or anxious, I remember the day when we prayed and looked out your bedroom window and there were 2 doves and this happened often after we prayed together, I know that you are dancing and running and being the diva you are in heaven.. I love and miss you.. Jolei, but Jo to Laurie*
