“ *My heart goes out to your entire family. Losing your parents is very hard. My last memory of Dee is when I ran into her at an auction in Brodhead. Denise was with her and they both came over and gave me a warm hug. That was a very special moment for me. I have always thought of her with love and kindness and never heard her speak harshly. She was very special indeed and you were lucky to have her in your lives.*

“ *Many great remembrances of Dee Clark, who married into the Clark family of which my paternal grandmother belonged. Best memory was the long dress and bonnet she made for me for the Brodhead Centennial.*
