“ Joyce and Family: Almost 30 years ago I was fortunate to meet your family, start spending time in the garage, and have "Arch" become a fixture in my work(?) and the family life that was created in Brodhead. Through art fairs, construction projects, noon hour soap operas, sitting at the kitchen table...whenever, Larry had "pearls of wisdom" to share...and Joyce was always there with "the laugh". You all have memories of a life well lived, and Sue and I are fortunate to have shared time with Larry, Joyce, and the family.
