“ I knew Linda way back in 1968 -69 . We worked at Advance Transformer together with my Mother, on the same line. She spent alot of time at our home. I was her age. She was a very dear friend to my Mother and me , and a beautiful person . I was very upset when heard of her passing ,even tho I haven`'t heard from her for ages . Pat Flynn was also a friend of mine way back in Albany Grade School . My heart goes out to the family.
My Mother passed away a year ago , and I know she will take Linda under wing again .
