“ I was a caregiver at two of the places where Linda lived. We had a special bond. I loved making her laugh and enjoyed seeing her working on her puzzle collectons.

“ Peggy and Fritz, I'm so sorry to hear about Linda. I hadn't seen her for at least three decades, if not more. My loss. We were in several high school classes together, rode the same bus until we got our driver's licenses, and were in the same group of friends. She was the quiet one. May God Bless.
