“ To my cousins so sorry to hear about Aunt Louise, I have many fond memories of her and your dad at my dad's house with my step mom Mabel. Now they are all visiting in Heaven awaiting for us to join them in our family picnics just like the ones we use to have in Brodhead in the park! or at grandma's house. when daddy past I was with him telling him to go join grandma and grandpa. I can see them all together at a house like grandmas in Brodhead. You all are in my prayers!

“ Roy, I am so sorry I could not be there for you today, like you were for me those days dad was so ill. I will be forever grateful to you for that! I know it was hard to see Louise with such a horrible disease, but she is now at peace and doing much better. I'm sure with her sense of humor she is entertaining the entire family by now. She never let me forget, or forgot my birthday, because I peed on her beautiful wool skirt when I was a baby. I ruined in one second what she worked so hard for months to buy. I asked her why then she would marry into our crazy family, which she always replied, " I was young and in love". Our thoughts and prayers are with you and your family today. Stay in touch and we love you. Melvetta, Ted and Melanie
