“ Joyce, I spoke to Evelyn about a week ago on Facebook and asked her if she could get in touch with you and Lowell as I been thinking about both of you for a while and just wanted to say hi since it has been so long since we have seen each other. God Bless you and your family. You have my deepest sympathies. I am sure Lowell is in a better place. I might add that I have never seen him without a smile on his face.....really miss him....John

“ I have many fond memories of Lowell. I will always remember his smile and his laugh. I know where his children all get their beautiful smiles. He always made me feel welcome. I am sure that he is playing Euchre with his dad and Rod in heaven. He will be greatly missed, but his legacy shall live on forever in his family. Brian and I send ou love and hugs to Joyce and to all of the family. May this difficult time bring you all closer together.

“ Dear Sarah, Aaron, and Ivan, We were vry sorry to learn of Aaron's grandfather's death. We remark that Aaron looks just like him. He was surely a very substantial person. We know that this is a difficult time for you all and we are thinking of of you. All the best, Ranjan and Gretchen

“ So sorry to hear of Lowell's passing, I'd say,he was a one of a kind! Had the pleasure of working along side Lowell at a Janesville facility, hauling loads into GM, back in early '04.. He truly was one of the nicest, most genuine, soft spoken individuals there ever was, no doubt all who knew him, loved him beyond dearly and will miss him even more, R I P Lowell, good man and friend!
