“ I first met Lyall in 1961 with his best friend, Lenny Patterson. He was a very likable guy. He was always so happy to hold and care for my baby son at the time. Then he met you, Judy. A most wonderful and caring person. I got to know Judy and have been in touch since 1964 at Lyall & Judy's wedding. Please let me offer any help that I may give the family at this time and also Judy. I will definately see you on Saturday in Brodhead. Blessings to the whole family..Lyall is not suffering anymore.
