“ *In memory of Margaret, we both think back over the years, the time we spent together, and can't help but be reminded, of how much fun Margaret could be. On occasion, we'd pay her a visit intending to cheer her, but found she was the one making us smile. We're truly shocked and sorry, to hear of her passing.*

*Our thoughts and prayers, are with all of her family, during this sad time...
Rest in peace Margaret!*

“ *A GARDEN PATH was sent by Dave and Charlene Gadow.Mom, Each one of these flowers represents all of the beautiful memories you've given us over the years...Memories of laughter, love, strength, endurance, smiles, and kindness that came from you Mom. The beauty of these flowers pales in comparison to the beauty that was you!! We will always think of you whenever we see beautiful flowers...we will miss you Mom!! All our love to you, Dave, Charlene, Aaron and Brandon*

“ Some of my earliest memories are of visits home to Wisconsin. We would spend these great family holidays together at grandma and grandpa Gadow's. I remember hot mugs of soup and playing tidley-winks and pick-up-stix. Grandma was an amazing cook and kept a really tidy home. She always made me feel loved. She will be missed dearly but will live on in our hearts and memories.
