“ To the family of Mark Bolton;  
I am a neighbor at Lake Summerset in Davis, Il. I am sorry for your loss. I would like to share with you some Bible verses that has comforted me, 2Corinthians 1:3,4 helps us know that Almighty God is concerned with the pain and grief that we suffer. Another vs. is John 5:28-29 that god remembers those who have died and promises a resurrection.

Sincerely; Mary J. Booker

“ My Sympathy to your family, am so very sorry to hear of Marks passing. I always enjoyed my conversations on the days melt was required to grind. He could always make the day an interesting one instead of boring. I consider him a good friend and I will miss him. He left me with many fond memories. Being the two older ones, we shared similar likes and of course we would reminisce. Having a good laugh along the way. My life is so much richer just from having him as a friend. Take care (Ernie❤️) and Bless the Bolton Family.

“ I have fond memories of your family being our neighbors. Mark had great ideas, could always have a good conversation, and I still have and will keep the sign he made for the shop. It is still in great shape - he did wonderful work. Dan still has the tough clothes bag Mark made for him. Treasure your memories - Mark will be missed. My sympathy to you all.

“ To Mark's friends and family. I'm a classmate of his sister Lynda. I remember a few baseball games with him, as kids, when we played in the field next to his home, which was down by the pickle and button factory. Although he was seven years younger he was quite the athlete and could outrun all of us "older" dudes. I know he was protective and loved his big sis, Lynda. My condolences to all his family and friends. (Lynda, I sent you an email)
