“ *Minnie - how nice to hear from you! Thank-you so much for thinking of us. We have many good memories of growing up "with you" also. I had forgotten about the ice rink that dad had flooded in the back yard. Our prayer was that mom would not have to suffer for weeks/months after her stroke. That prayer was answered when God called her home only five days after her stroke. She is at peace now and is dementia free, can see, hear, sing and dance - she is whole once again. No longer trapped in her own body. While this is a difficult time, we are so grateful that she is finally "Home" and that there are such kind and loving friends, as yourself, supporting us during this time. Thank-you for your thoughts, special memories and prayers.*

“ Thank-you for all the loving care that you gave to mom and dad. It was easier seeing them in a nursing home where we knew that they were loved by others.

“ *It was a pleasure to take care of your mother and I will miss her dearly. Her laugh would light up anyone's day. At least now she's with Paul. They were both such sweet people. I give you my deepest sympathy.*
