“ *Brent & Laura,
So sad to read of your Mom's passing. I remember her as a
"stately" type woman. Always looked her best whenever I saw
her. May your many happy memories spent with her comfort you
through the following days to come.*

“ *Brent & Laura,*

*We are so sorry for the loss of your Mom and our dear friend. Of
course, Mary and my Mom were friends since they were 5 years old
- not many people have a bond like that. I really enjoyed Mary's
company and we had a lot of laughs whenever we all got together.
She will be missed so much. Love & comfort to your family,*

“ Dear Brent, Laura, Ty, Ryan and Em-
We were so sad to hear of your mom/grandma’s passing. We cherish the fond memories of the times we were able to share with her. She loved life and was a joy to be around. She looked forward to the Fall weekend to Pecatonica, cheering on Ryan and Emily during their games, spending time with family and friends, being strong at Pauline’s bedside or just taking in the beauty of a new day and whatever lied ahead. Our heart goes out to you all and wish we could take the hurt away. We love you.

“ Brent & Laura,
I wanted to express my sincere sympathy to you for the loss of your mom. She will be warmly remembered in my heart for the many visits to Broadhead and her kind hospitality. I will also remember her generosity, she always brought my sisters and I a treat when your family would visit us. My mom loved her dearly and cherished the time she spent with your mom. Thanks to both of you for keeping my mom updated. Laura, you have spent many hours on the phone with my mom and she truly appreciates it. I hope to make it Saturday, but wanted to send my condolences in case I cannot. Keep your mom close to your heart and take comfort in knowing she is at peace and with your dad and brothers. “ Laura and Brent,
I too wanted to express my sincere sympathy to you on the loss of your mom. I remember all the times we spent visiting with your family. My love of dogs came from the care your family gave the schnauzers. I appreciate all the time you have spent talking to my mother on the phone. We had planned to visit your mom last weekend and decided the weather was too iffy. I will always regret we didn't make it sooner. She was such a wonderful woman and role model. I know she is happy to be with your dad. I remember him each year around Christmas because I was unable to go to his funeral. We will see you both on Saturday. My prayers are with you.

“ *I sent a card to the funeral home because I was having trouble with the computer. I wanted to be sure to extend my sympathy for your mom, a wonderful lady. I wondered what happened because I missed her at church. We always had a short chat after mass. Once in a while my sister and I would pick your mom up and a friend of hers, and go out for fish. That was always a nice visit. Such nice people are leaving us. Jeanie Brennan*

“ John & I are sorry that we cannot attend Aunt Mary's services. My heart has another chip taken from it. Aunt Mary was fond of remembering all the pancakes that she made for me and that I ate. I was very young. I doubt if I was in school, yet. It was in their little house near the old Methodist Church. Their house at 5th & 5th wasn't built. She must have made me feel very comfortable, for a pre-school kid to go visiting and staying over night at a house with no other little kids to play with. I also remember Aunt Mary & Uncle Art planting potatoes at my parents house. Someone made the furrow, Mother cut the potatoes, Aunt Mary dropped the pieces of potatoes and I carefully stepped on each one to push them a little into the ground. Someone followed and covered them up. And coloring. We would color pictures and play with paper dolls. I miss her already. Dianne Argoudelis
