“ Kurt and Carmen, our cousin, Anita, told me that your Mom had passed away. I was so very sorry to hear that. She was such a nice lady! I saw her about 3 years ago when we had a family reunion in Verona at my Dad's assisted living facility. Your Mom and I had such a nice, long chat that day. At that time she seemed to be in such great health and enjoying all her usual activities. She told me that she was still golfing, which I thought was remarkable at her age. Please know that I am thinking of you and your families.
