*My heart hurts for the loss of this wonderful soul from our family's depth. The loss goes deep in the hearts of the many that loved her.*

*My heart smiles at the memory of her laughter when last I saw her. She was so easy to bring to laughter, magic to my ears. So happy to have that laughter and those smiles as my last memory of my dear sister... May she rest in peace*

“ Mary Ann was like a second mom throughout a big chunk of my childhood! So many memories of our families hanging out - the older kids babysitting us younger ones! Her love (and mad skills) of baking helped to inspire my love of baking! My heart goes out to each of you during this sad time. I'm so glad you have many wonderful memories of her to help you through!

“ Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you. She was a very kind woman. I enjoyed talking to her at the elementary school when she waited for the children to get on the bus. She will be missed. Donna Olson
