“ Sorry to hear of Matt's untimely passing. It's never easy to loose a loved one, especially your child. Remember the good and bad times you had with Matt, as they will help keep his memory alive. I hope Matt's daughter realizes how nice of person Matt was and always will be in those who he met.

“ We are so sorry to hear of Matt's passing. I can only imagine the pain of losing a child, it has to surpass all other pain. We have some great memories of Matt in his childhood and particularly remember a Memorial Day camping trip that he took with our family. We left Brodhead planning to have such a great weekend and everyone of us returned home with strep throat, including Matt. Our thoughts and prayers are with all of you.

going to the Boundary Waters with him years ago and am blessed

corresponded via letters fo awhile before the craziness of life got in

“ So sorry to hear of Matt's passing. It's unfortunate that it takes a loss like this to go back not so long ago to some very good memories of a time growing up. Matt was a great person and those that called him a friend were better for it. My thoughts and prayers go out to you and your family.

“ Dear Wahls and Dorothy Speth,
I am so sorry to hear of Matt's passing. I remember him as a little guy at the swimming pool. I taught him swimming lessons and also coached him in swim team. He was such a sweet kid, and I'm sure he was a wonderful man.

“ Brenda & family and the Speth family ~ I was sad to hear that Matt passed away. So tragic to lose life at such a young age. I appreciated his beautiful photographs he posted on Facebook. May you find comfort in the knowledge that Matt has returned home to the Lord. Rest in Peace.
