“Dee, Leslie, Steve, Tony, and Dana (and all the spouses) I am SO-SO sorry about Mike. It is so hard to believe. It just must have been his time or he would have stayed with us. But you know, he""s in a better place. Even better than what we have here. I was just thinking about the last time that seen him (Years ago) and that was just before his accident. Thinking about the fun we had as kids. If there is anything that I can do even just to talk or a shoulder to cry on, just let me know. All my condolences!!!! Love, Dawn (Wahl) Wirth, Bob and Riley

“When I think of Mike I remember the fort (abandoned camper) the neighborhood kids had on the Bayerhoffer (sorry if that's not spelled right) property. We all hung out, we laughed, we had parent troubles, teenage troubles..... We lost touch after our high school years but I ran into Mike a couple times in the past couple years and caught up as much as we could with the time we had. I hope Mike is at peace and that the family finds peace with time. My prayers and sympathies to Michael's family.

“ *My condolences to the family. I just found out about Mike's death this morn(as I live in Florida). I haven't seen Mike in years, but remember him very well when I lived in Monroe and Leslie and I hung around together. It's hard to find the words that might bring you comfort at this time of loss, but perhaps knowing that I am thinking of the family with sympathy and understanding will somehow help to give all of you strength at this difficult time.*
