“ Dear Byers family..
I don't know you, but have been so very moved by the loss of your son. As a father also I can only imagine the pain you feel right now. Please be somewhat comforted by the fact that others are feeling your pain and are praying for you to get through this.....I so wish I could do more to help you with your pain, but I tearfully cannot. God Bless you all..I know he already did with Michael.

“ To the parents and family of Michael Byers:
My prayers are with all of you. I know they say time heals all wounds-and right now that may not seem possible, but your love and memories of your little boy can help you through. Although you do not know me, I too have felt this kind of loss and pain. If I can help you in some way, please let me know.

“ *I hope that your family is able to pull together after this awful accident. I pray for all of you. Michael was a boy, who must have been pretty proud to be working with dad. It was an awful accident and I pray he is watching over everyone now. I want you to know that he was a strong boy. I am very sorry for your loss. I was on the service that helped try to save Michael. I just want you all to know that I will always remember him. Prayers and hope to all of you.*

“ My deepest sympathy on your loss, I am a mother of two and cannot imagine the sadness you all feel at this point. Allow the strength of your family, friends, and community to support you through this time. Take every offer for counseling, and do not question why this happened, find peace in knowing Michael is watching over you now.

“ Dear Byers Family,
We are so very sorry for the loss of you precious little Michael. You do not know us, but because we are all part of the Family of God, we do have many things in common. God has promised never to give us more than we can endure. A loss such as yours seems unsurmountable at this time. Just ponder on the thought that Michael has earned his little wings much sooner than you would have ever wanted but is at this moment dancing with Jesus. We will continue to pray for you and your family that God will carry you in His arms and comfort you when you need it the most. Love through Christ Jesus.

“ I read with tears about your son. While I do not know you, trust that I am praying that God will give you comfort and peace at this time, and in times to come. I pray that you can picture your son in heaven, a much better place than this earth and that will give you comfort. I also pray that you cling to I Thes. 4:18, which tells us to take comfort knowing our loved ones are waiting for us in heaven. You may contact me if you ever need anything, or have any special prayer request.

“ I am so sorry for your pain and am praying for you daily. I love you and know that God loves you. He knows your pain and will comfort you in the days ahead. Just take one breath at a time and know that Michael is safe in His arms. You will find him there when it is your turn to come home. Have faith and may God carry you when you do not think you can go on. Love and prayers.

“ He is not dead,-the child of your affection,-
But gone unto that school
Where he no longer needs your protection,
And Christ himself doth rule.

*In that great cloister""s stillness and seclusion,
By guardian angels led,
Safe from temptation, safe from sin""s pollution,
He lives, whom we call dead.*

Our hearts are heavy as we think of your sorrow. Please know that our prayers are with you.
