“ This is really hard to fathom. I can still picture Mike & Joe at our wedding, applying shaving cream to our car with Gareth (luckily someone got pictures so we knew who to blame). He was 14. Our deepest condolences to the whole Watson clan. May his memory live in all of you.

“ *To Mike's Family,*

Mike came into our lives as our new Thrivent agent about 10 years ago. He had the ability to make it come "alive" and "understandable." He moved on to more responsibility, we lost him as our agent, but his friendship to us did not diminish.

We were so very shocked to learn of his death. Our most sincere sympathy to all those who loved him and are learning to deal with his loss. Our prayers are with you.
