“ Nancy, it makes me so sad to see your Mom has passed, even at 92. I remember her as a kid growing up in the neighborhood. Mom would send me there to deliver her Avon and she always had a smile on her face. May your happy memories of time spent with your Mom help you through the coming days and weeks. You have been lucky to have her.

“ Dear Nancy & Family, I was so sorry to hear from Natalie about Gramma Jones. She was such a wonderful person. I will always remember her and Grampa Jack at the ballpark, setting up their chairs and settling in for a night at the ballpark, whether it was the youth league watching the grandchildren or most recently the great grandchilren and the church leagues as well. It warms my heart to know they are together again and I am sure they are smiling like I remember.
