“ Grandma-- I miss you so much! Although you have just physically  
passed, to your family, you have been gone for many years. I will  
forever remember visiting at your farm and catching fire flies and  
putting them a jar and being pulled in a wagon behind grandpa's  
riding mower. The candies and cookies sent at Christmas, the long  
talks you and I would share on the weekends and visits; but more  
than anything else, I will remember you and grandpa's devastation  
after the horrific death of your youngest, the care you gave to  
grandpa over the many years of his sickness, and the smile on your  
face whenever we watched a movie with Brad Pitt (you always had  
a crush on him!) As I cry for our loss as a family, I rejoice in  
knowing beyond a shadow of a doubt you were met on the streets  
of Gold by your loving husband, son and all those who went before  
you! Grandma, YOU HAVE FOREVER IMPACTED MY LIFE AND I  
THANK YOU! I THANK GOD FOR BEING BLESSED TO CALL  
YOU GRANDMA!

“ *Randy, Diane & family:  
Our thoughts and prayers are with all of you during this "valley". God has promised that one day we will see our loved ones that have gone on before us. It is a hard time now, but glorious in our hope of eternity. We will continue to pray for you. God bless you. We love you very much. We wish we could be with you, but we can not travel.*

“ *Please forgive the delay, I tried several times to load 3 photos I have of Mildred with her daughter Diane, but my Mac computer must not be compatible with this website, so I am trying now from a PC.  
My heart cries for the entire family but I also know it is a beautiful day in Heaven now that Mildred is back home again. Until we all meet again, faith, hope and love. :)*

“ To the Aue family, it has been a long time since we have been in touch. I would like to express my sorrow for your loss. My mother was very fond of Milly and I know she would want us to reach out to your family. May your mother rest in peace in Gods arms, may she hear the deep comforting voice of your father again, and may she hug her son again. I have many fond memories running around at your home farm. I am there in my mind right now. God bless all of you in this time of loss. Stick together. We all will meet again. Edwin Ensor

“ Dear Diane,  
I am so sorry for your loss, it's hard to have someone around all the time and when they are gone it takes some getting use to. You are in my prayers.
