“ We're deeply saddened to learn of Mitch's passing. Mitch was so helpful to me when I began working more at InterVarsity's national service center, commuting from Texas every other month. He helped with the loaner car, and when I backed it into someone at the Hy-Vee parking lot, Mitch was wonderful to work with. He was so gracious and kind about it. The whole family is in our prayers during this sad time. May the Lord's presence be a comfort.

“ This is very sad news, but I rejoice that Mitch is with his Lord and Savior, Jesus. I loved Mitch's laughter and talking to him about the Cubs and their awesome championship in 2016. I'll be praying for Laura and family.

“ Mitch was such a joy to be around. He had a great sense of humor and a high work ethic. He was always willing to help no matter what the situation. He'd never leave you hanging. I know that we will see Mitch again in that other life, but our sorrow for all those moments missed in this life. May the Lord's peace be on his family in this time.

“ *When it mentioned Mitch's laugh I could literally hear it in my mind and feel it in my heart-- it was golden! I was happy that one of my dearest friends had found her soulmate in Mitch and I'm thankful for the very happy years they spent together.*

“ *Unfortunately I have been away from WI for years but I remember Laura and Mitchell's wedding and how they took a long bike ride after the wedding. Laura is my oldest and sweetest friend. I am so very sorry for her loss and the loss of Mitchell's family including his extended Mehaffey family and friends. May his loved ones be comforted with the beautiful memories of Mitchell. He was too young. Bless his heart.*

“ Words...they are barely coming to me in this moment...you will be greatly missed mitch. You were the light of everyone's day and you put a smile on everyones face you came across. I'm going to miss coming out and hunting the land with you. Or having to wake you up because a turkey is right in front of us. So many memories. Going to brewers games, going sledding and taking someone's child out because they weren't paying attention, the renaissance fair and how much fun we had watching the duels with the horses. Most of all I am missing being able to fix up the house you have rented to us with you. Joking while we were cleaning the leaves and sticks the other week was so much fun. I love you so much. You will be greatly missed. I am so happy to have had you in our life. I even remembered you and lauras wedding when all of us girls got locked out of our dressing room and we had to find you but you weren't allowed to see laura yet and you did your best to cover your eyes. We all will continue to pass on your memory and be here for laura no matter what. Rest in peace in your batman onesie pjs uncle mitch💕💕

“ I remember when Elaine and I met Mitch we were painting at Lisa's house. Mitch and Laura brought food, just happen that Raul was painting that day a Mitch got to experience Raul, I think he was ready to run out the door. I think Raul was a little to lite in the loafers for Mitch.

“ Me and Mitch always used to mess around and do many fun things. I enjoyed every second spent with him. Always being competitive with each other but having a laugh at the same time. I love going to brewers games and I still have the picture of my first Wisconsin badger game on my wall. I always went out and helped Mitch clean his land and it was very fun even when something is heavy and we bet to see if he can pick it up and usually he can but I just wanna say I will miss you so much Mitch your always gonna be remembered 😔❤️

“ Mitch, you were an Awesome person on earth and will be the same crazy, funny guy in Heaven. It's so hard to imagine life without you. I always enjoyed stopping by and walking your land with you. If you weren't home I played with the dogs for awhile. We could talk for hours about anything. When I left I always felt better. Your impersonations made me laugh the most. You Loved everyone! You were one of a kind and your number one priority was taking care of Laura. I will still go out there to check up on Laura and the dogs. You sure could make people laugh and forget their problems. You made light of situations and made people feel at ease. I Love you Mitch!!
