“ *Our deepest condolences on the loss of your beloved mother/grandmother/mother-in-law. Myrlah was a wonderful neighbor and friend to us in Davis over the past 17+ years. She was a joy to talk to, had a great sense of humor, was always so kind to us and our kids, and we envied her active social schedule! Many Saturday nights we'd see her getting picked up by a friend to go out for the evening while we sat home in front of the TV! Most of our talks included updates on her children and grandchildren. She loved and was SO very proud of her family. We have missed her since she moved to Sherman and now may God bless her beautiful soul.*

“ *Myrlah and I sat next to each other for many, many years working at Eaton Corporation in Warren, She was the reason that I enjoyed going to work. She was always smiling and never had a bad word to say. After Myrlah retired she made a huge oak piggy bank for me. I think of her every time I drop in my spare change. I am very blessed to have such a wonderful friend. God truly has one of the best with him.*
