“ I worked with Nate back in the Janesville Products days in the Shipping department . I believe we had a mutual respect for each other . It was an honor to work with Nate . He would often amuse us with stories of Puerto Rico when he was in the Army . One thing that really stands out in my memory of Nate was at one time he asked me to make for him a couple Rummage Sale signs . I know for a fact that he used them for many years while he lived in Brodhead . It was fun to know we had that connection . Rest In Peace now Nate .
