“ So very sad to hear that Nathan passed away. Shortly after your Mom passed my parents were home and Nate came to the park where we were having a picnic to visit with us. Nate and I went out to the cemetery to visit your Mom's gravesite. I have such wonderful memories of Nate, the baby raccoons he brought me to raise, spending time with him at both our farms and we kept in touch over the years. I know you will miss him dearly. Me, too. My parents and siblings were sorry to hear of his passing and offer our condolences to you all.
