“ *Mary, Dave and Lynn,*

We were so sorry to hear of Norm's passing. Such a wonderful, kind soul he was. We will cherish all the memories we have of him since we bought our house in 1995. You both are such wonderful neighbors. I will miss seeing him leave in the morning for his coffee and paper, or his many trips to "The Pig". RIP Norm. We will miss you.

“ Our families (double cousins) in Lamont were always close, and lots of fun was had by all ages. Sundays, Holidays, any ordinary day after chores, you could find us together. Grandma Wenger's good cooking, Grandpa Wenger's bees, hide and go seek, and car rides when we got older..

Although we have lived miles apart for years now, we still think of each other with love and laughter of times gone by...

Norm was always fun, with a laugh like his DAD (Uncle Harley). He had a kind and gentle heart that was always something the younger kids liked a lot.

He will be missed on earth, but has found old friends and family waiting in heaven.
