“ Mike, I'm sorry to hear about Pam. When I read her obit it brought back so many sweet memories. Pam was such a lovely lady. I remember when to two of you were first married and having babies. I remember spending a lot of Friday and Saturday nights at your house on Jebens watching two, three and four little girls. In case you have not figured out who I am, Pam lovingly called me "Bubbles" like the rest of your family. Know that I am thinking about you during this sad time. Love Renee

“ Please accept my heart felt condolences. I am saddened to heR of the loss in your family. I have found comfort in Gods word the bible at John 5:28,29. There it talks about a resurrection. We can draw much comfort from our God and find answers to life's important questions if we pray and search for the answers. Again I am very sorry for your loss of Pam.
