“ It was always a pleasure to visit with Pat when she was at Center Avenue Antiques. We enjoyed getting to know her even better at historical society meetings, and we've missed her since her move to Fall River. Our sympathy to the family.

“ *For Pat's family...I was very saddened to learn of Pat's passing. Since her move to Fall River, I know she has been missed by Brodhead folks, and now she will be missed even more. Pat was a good friend for many years and I always enjoyed browsing through her store in Brodhead...so much like an old general store in ways. Please know my thoughts and prayers are with you all...Nancy Broughton*

“ *My parents and I wish to express our sincere sympathy to you for the loss of Pat. Mom and Dad always would stop in and reminisce with her at the store when they were in town. Pat was such a "people person" , always ready to visit, and a wealth of knowledge. She will surely be missed. Memories are treasures.*
