“ Please accept our sincere condolences for the loss of your Mom/Grandma. I've known Pat since I began working at Woods Crossing in 2013. Always smiling and cheerful, she was a favorite entertainer with her accordian for hundreds of Woods Crossing residents over the many years she volunteered her time and talents! May your many cherished memories bring you comfort during this difficult time.

“ I met Pat in the hospital the day our daughters were born in 1975. She was a wonderful roommate. We were farmers wives. I was 18 years old and appreciated her calm and wonderful demeanor. Our daughters have remained friends for 43 years. Pat was always such a hard worker. RIP dear lady.

“ Our thoughts and prayers to the whole family. We go back many years and Chub and Pat always made us feel a part of the family. Remembering many delicious Sunday chicken dinners from her chickens she raised and her made from scratch chiffon cakes. We always went home with fresh eggs or garden vegetables. RIP Pat you will be missed.
