“ I knew your mother from working at Sentry. She always had a smile for everyone. You must cherish the memories and the good times. She would not want you to have tears but it is also hard to lose the ones you love the most. You are in my prayers at this time.

“ Jeff and Judy -- So sorry to hear about your mom. I so enjoyed working with her at Sentry. But my BEST memories from Sentry was when my dad was alive ... he would grocery shop every Saturday morning. When he would come in the door he would say "Patricia you look a lot different then when you left this AM..." and boy would she laugh. A Saturday wouldn't go by without dad saying that to her. Our thoughts are with you and your families!!

“ Judy and Jeff
So sorry to hear about your mom. Fond memories of our Sentry days. She was also my "birthday twin". I loved visiting with your mom on break, she knew everyone in town.
My thoughts are with you in this difficult time.
