“ *Patti's family:
There are obviously no words to say that will remove your pain at this time. Your family is so strong, as it has been proven time and time again the last several years. Patti was a remarkable woman, there is no doubt. She always took the time to ask about my family and their well-being. She will be greatly missed by her friends, family and patrons of a business that she obviously loved full heartedly.
Please take care of yourselves,
Rick, Pam & girls*

“ *Sam and Family;*

Being one of her classmates, I remember Patti was an encourager to me, at good old BHS. I ran into again, after graduation, She was so proud of her new baby, Vincent. She was a good mother to her Boys. Last time I saw her, was at our class reunion, last year. Patti was still Patti, my classmate, a smile on her face and a laugh in the air. Good-Bye old Friend!!!

I Hope to see you again

Love;

Paula
